# Foreword

Our purpose has been to present a cross-section of student activity which is representative of college life on this campus.

We attempted to accomplish this purpose by using as our theme a scrap-book, a scrap-book presenting a conglomeration of ideas all contributing to one general effect, representative student life.

ONE

College

THE following was taken from the Northwest Missourian of October 19, 1934. John L. Ford, of the class of 1935, is the author of the feature which qualified as the best feature story in the state contests held in Columbia last year.

Many years ago Mike "our dog" was the most popular figure on the campus. His sudden appearance from no one knows where and his decision to stay, met with the approval of students and faculty alike.

One of his first acquaintances upon the campus was M. S. Boase, secretary to the President of the College, and it was through this friendship that Mike became accustomed to college life. He was warmly welcomed by the Student Body who soon recognized him as an integral and indispensable part of the institution.

Every morning Mike would report for classes as regularly as the sun and no doubt more so than the students and professors. Every evening he would select the particular instructor with whom he wished to spend the night and to that lucky instructor's home would he proceed as guest of honor. Among his favorites were Mr. Boase, the dean of the faculty, the President, Mr. Rickenbrode, and Mr. Hawkins.

On warm days, Mike spent his time chasing rabbits, digging for ground squirrels, and assisting Mr. Brink in superintending the work about the grounds. He was the only being who ever dared dispute the authority of Mr. Brink. He would dig holes in the tulip beds and in the soft turf and the holes would be filled and new flowers planted.

Of course he was at the games. He always appeared at the scene of an athletic contest clad in his green and white blanket with a white "M" on each side. There were no questions asked when he drank out of the water pail on the side lines or when he walked the basket ball courts. "He was Lord-High Chancellor and he knew it."

May 15, 1917, turned out to be one of the saddest days in the history of the College. The day was warm and the Agricultural class was spraying trees with lead arsenate. Mike had spent his time chasing rabbits. "The white spray resembled milk—and he was so thirsty! The efforts of the students and veterinary were of no avail." Mike was to roam the campus no more.

A small box bearing the inscription "For the love of Mike" was placed in the hall and enough nickles and pennies were placed in it to erect the small marker which may be seen today across the drive from the east entrance to the Administration Building.

"Mike"  
To the Memory of our Dog  
Died May 15, 1917

# The President's Message to the Tower

Too often a college is measured by the size of its student body. If we used that standard, the present year 1935-36 is the most successful in its history, for the total enrollment in each of the three quarters has been the largest in the respective quarters since it was established.

PRESIDENT UEL W. LAMKIN

But the real measure of such an institution is the quality of work that is done in it, and the success of those who complete its courses. This year marks the second full year of our general courses. Some of you go into your junior year, some start teaching. We will be interested in knowing whether or not the general courses "work."

And we, who are here at the college from year to year, will be interested in each of you whose names are in this book, and in each of you who get one of them. No matter what you may do, nor where you may be, we hope the Tower will be, not only a reminder of the days you were here, but a tie that will bind you to your college and to your friends, and them to you, throughout the years.

UEL W. LAMKIN,  
*President.*

DEAN JAMES C. MILLER

## Dean of Faculty

**J**AMES C. MILLER came to the Northwest Missouri State Teachers College September 1, 1935, as Dean of the Faculty.

He received his Baccalaureate Degree from the Central Missouri State Teachers College at Warrensburg in 1925. He did his graduate work at the University of Chicago receiving the degrees of Master of Arts and Doctor of Philosophy from the former institution.

His professional experiences consist of teaching in rural schools, teaching in High Schools; Superintendent of Schools; Principal of the University Elementary School, University of Missouri, Columbia, Missouri; Dean of Christian College, Columbia, Missouri, and later acting President for a time. He was cashier of the Bank of Fortuna, Fortuna, Missouri, for three years before enlisting in the United States Navy. During the World War, he served in the United States Naval Reserve Force. A large part of the term of his service was spent overseas. After the Armistice, he had an opportunity to travel in a number of the countries of Europe.

As Dean of the Faculty his work has to do with the general educational work of the college as it relates to the curriculum, registration and classification of students, student counseling, faculty study, various types of committee work, and teaching. He is chairman of the Faculty Council, acting president when the President is away, and chairman of the Committee on Admissions, Classifications, and Advanced Standing.

# STUDENT GOVERNMENT

MARGARET B. STEPHENSON  
*Director of Women's Activities*

## Women's and Men's Activities

ALL OF college life is not confined to classes. Living, working, and playing with others is a very real part of a student's education.

Having a share in the planning of student Activities — whether as a member of the Student Senate, a club program committee, or a group to plan a social affair—adds to a student's interest in college. Responsibility for and participation in debates, dramatics, school

publications, clubs, and assemblies help to develop initiative, self-confidence, and the ability to co-operate with others.

If students are to become well-rounded men and women, it is necessary for them to take advantage of the many opportunities to meet others socially—at teas, dinners, and dances. Poise in meeting social situations is only gained through experience.

Many of the pleasant memories of college days and long enduring ties of friendship are rewards of participation in extra-class activities.

Guidance is essential to success in student activities, and it is in the role of directors that Miss Stephenson and Mr. Wales have contributed valuable services. The high plane on which student activities have been conducted is evidence of the qualifications of Miss Stephenson and Mr. Wales for their positions.

HUGH G. WALES  
*Director of Men's Activities*

# Student Senate

THE close of the present school year marks the fourteenth year of the Student Senate's existence upon the campus of S. T. C. During these years, the machinery and functions of the Senate have grown until at present there is a well-defined service rendered by that body to the College—faculty as well as students.

The membership consists of a president and a vice-president elected by the student body at large, three members of each of the upper classes, and two members of the freshman class. Service on the Senate is one of the highest honors that comes in the college life of a student, as well as affording valuable training in many ways.

The Maryville State Teachers College is a member of the National Student Federation of America, having sent four members, Dean Miller, Louise Bauer, Virgil Woodside, and Miller Weeda as delegates to the 1936 Congress held in Kansas City.

# Pan-Hellenic Council

THE Pan-Hellenic Council is composed of a sponsor, the president and two representatives of the two national sororities, Alpha Sigma Alpha and Sigma Sigma Sigma.

The offices of president and secretary-treasurer alternate yearly between the two sororities.

The Council formally opens the rush season each fall with the Pan-Hellenic Tea, entertaining the rushees of both sororities.

The Council sets the standards for rushing, pledging and high scholarship. The monthly meetings provide an opportunity for discussion upon all phases of sorority activity.

Mrs. W. W. Sharp, national president of Alpha Sigma Alpha, visited the Council during the winter quarter.

The officers of the Council are: Barbara Zeller, President, and Virginia Coe, Secretary-Treasurer.

The Sponsor is Miss Estelle Bowman.

Membership: Barbara Zeller, Lucille Groh, Lucy Mae Benson, Alpha Sigma Alpha. Virginia Coe, Dorothy Sandison, Mary Peck, Sigma Sigma Sigma.

# Inter-Fraternity Council

THE Inter-Fraternity Council was organized in the spring of 1935 under the supervision of a faculty committee. The organization began to function the following fall, and it has had a very successful year.

The purpose of the organization is to bring about a better understanding between the fraternities and to provide an agency for promoting their mutual good. The chairman of the Council is held alternately by a member of the Sigma Mu Delta and the Sigma Tau Gamma fraternities. The chairman is a non-voting member.

The members are: Harold Bird, Bernard Hamman, and Robert Wamsley, Sigma Mu Delta; Max Seyster and Ford Bradley, Sigma Tau Gamma.

## Residence Hall

**R**ESIDENCE HALL is the center of the social life of the college. Every night at seven the crowd gathers to dance until the quiet hours for study begin.

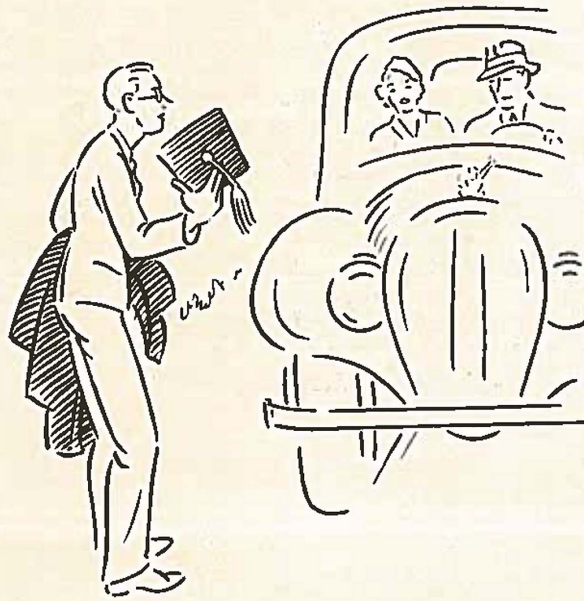

Throughout the year the women of Residence Hall entertain with formal dinners, faculty receptions, dances, after hour cozies around the fireplace, and weekly pajama breakfasts. The hall is more than a place to live. It is an opportunity for young women of very different backgrounds to live and work together. Often at dinner they may be heard singing together.

IN MEMORIAM

*Our Beloved Classmate*

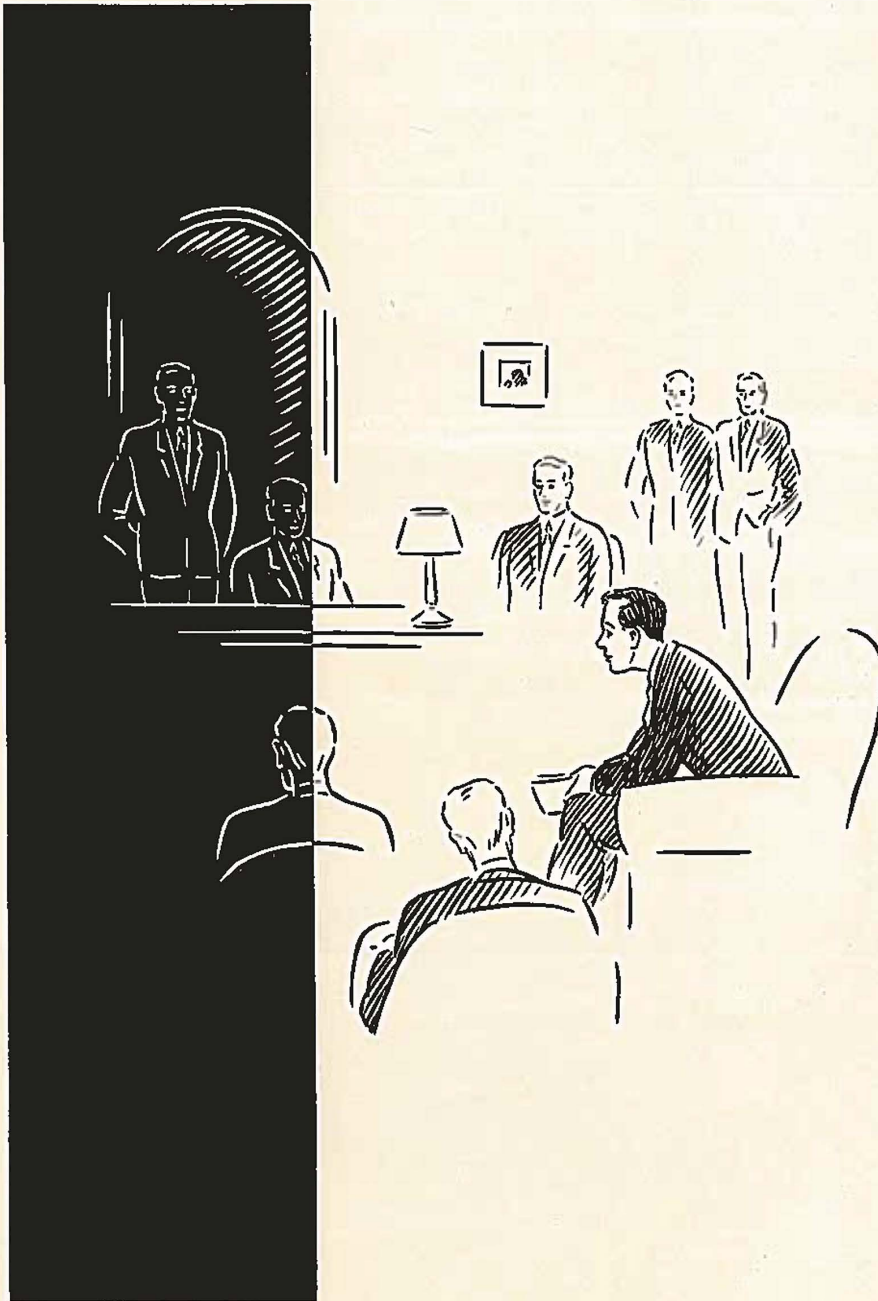

JOHN KRAMBECK

Book

TWO

# Organizations

# Tower Staff

**A**LTHOUGH at times the work of the 1936 Tower Staff has been laborious and arduous, group spirit has dominated. Co-operation has been willingly given at all times, not only by the Tower Staff, but by students and instructors as well.

Yearbooks are often classified as memory books for Seniors, but this book is to be considered as designed for the entire student body. We have attempted to abstain from all impressions of ornateness by using simplicity as our watchword. We have tried to create enthusiasm and approval by changing as much as possible from former Towers, which have tended to closely resemble each other, year after year. Of course, there are certain standards and conventions which must be abided by, but change is essential to progress.

We have hoped, during the entire course of our planning and actual construction of the book, that the 1936 Tower would be accepted as a representative portrayal of Northwest Missouri State Teachers College.

## Northwest Missourian

Once each week—at 11 o'clock on Friday mornings—students of the College gather around room 210, the home of *The Northwest Missourian*, for the purpose of receiving their eight-page copy of the newspaper which carries announcements, schedules, and the latest in happenings at their college.

Fifteen hundred copies are printed each week, eight hundred of which are sent to alumni of the College, and to friends and relatives of students.

This is the second year that the editors of *The Missourian* have been appointed by the College student senate. A staff of nineteen contributors has assisted the editors in striving to make the newspaper a credit to the College.

Miss Ruth Millett and Mr. J. Fred Hull have acted as sponsors of the *Missourian* for this year, and the staff is most thankful to them for their assistance.

## Pi Omega Pi

**P**I OMEGA PI, honorary commercial fraternity, was established June 13, 1923, at Kirksville, Missouri. Beta chapter has twelve members and two pledges.

The requirements for full membership are: A major in Commerce, the completion of ten hours in Commerce with an average of "S," five hours of Education, and an average of "M" in courses outside the department of Commerce and Business Administration. Its purpose is to encourage and create interest in business and professional life.

### OFFICERS

BEATRICE LEMON	President
MARIAN VAN VICKLE	Vice-President
DOROTHY SANDISON	Secretary
DEAN MILLER	Treasurer
JESSE DEAN TAYLOR	Historian
MISS MINNIE B. JAMES	Sponsor

## Alpha Phi Sigma

ALPHA PHI SIGMA, national honorary scholastic society, which was organized for the purpose of fostering superior scholarship in high schools and teachers' colleges, has provided interesting instructive programs for its members once each month. Thirty-five college freshmen were given associate membership in recognition of superior high school scholarship. Permanent membership is awarded upon high scholastic attainment in college.

Beta chapter of Alpha Phi Sigma was organized on our campus, April 9, 1930, only a month after the founding of the organization at the State Teachers' College, Kirksville, Missouri.

## Alpha Epsilon Psi

**A** LPHA EPSILON PSI is a professional public school music fraternity, open to men and women students having superior standing in the music department. This fraternity was organized in the spring of 1932 through the efforts of Charles R. Gardner, then head of the music department of this college. The aims of the organization are to raise the standards of public school music teaching, to uphold the standards of the department, and to make music a vital force on the campus. Each year the organization takes a trip to some musical concert.

# Association for Childhood Education

THE Maryville branch of the Association for Childhood Education was first organized, December 4, 1928, under the National Council for Primary Education. In 1931, the National Council for Primary Education, the International Kindergarten Union, and the Association of Nursery School Teachers merged into one body, to be known as the Association for Childhood Education, and the Maryville branch automatically became a member of that Association.

The Association is to promote progressive education in the nursery schools, kindergartens, and primary grades, and to encourage professional development of teachers in this field. "Childhood Education" is the official journal of the organization.

The membership of the local branch is composed of students who have selected kindergarten-primary education as their major. The Association, in addition to its professional interest, is active in the social activities on the campus.

# The Young Women's Christian Association

THE Young Women's Christian Association, as an association having as its purpose, "To write in a desire to realize a full and creative life through a growing knowledge of God; to determine to have a part in making this possible for all people; to seek to understand Jesus and to follow Him," must necessarily raise the standards of all who come in contact with it.

The Y. W. C. A. has accomplished much since its organization in fulfilling its aim. Organized in 1906, a year before the present administration building was erected, the Y. W. C. A. is the oldest organization on the campus.

This year has been an active one for the organization. Activities have included hut parties, a "get-acquainted" party, and joint meetings with the Y. M. C. A.

## O'Neillian Dramatic Club

THE O'Neillian Dramatic Club was organized in 1934, taking its title from the name of one of America's leading playwrights, Eugene O'Neill.

The purpose of this dramatic organization is to provide a "workshop" for those students interested in the theatre of today. The presentation of one one-act play and demonstrations of make-up and lighting were included in the activities of this organization.

## Debate

**D**EBATING has been called the greatest of intellectual games. The value of the game can best be measured by the number of people who are given experience through participation in the game and by the quality and quantity of the experience gained. From these standpoints the debate season was successful.

Debating this year, under the direction of Dr. Joseph P. Kelley, head of the department of speech, gave experience to fourteen men and women. The college was represented in four tournaments including the National Pi Kappa Delta convention at Houston, Texas, the state tournament at Fulton, the Culver-Stockton tournament at Canton and a practice tournament at Maryville.

The Pi Kappa Delta question used in all tournaments was: "Resolved: That Congress should have the power to over-ride by a two-thirds majority vote decisions of the Supreme Court declaring laws passed by Congress unconstitutional."

## Young Men's Christian Association

**T**HE Young Men's Christian Association of the College is affiliated with the national and state organizations, but does not necessarily adhere to the policies of these organizations.

Though undenominational, the Y. M. C. A. is definitely religious. Its objectives are:

1. To lead students to a deeper faith in God through the study of the Bible and through prayer.
2. To lead students to active membership in the Christian church.
3. To assist students to devote their lives to Christian service.

The Y. M. C. A. Gospel Team conducts religious services one Sunday of every month in Northwest Missouri churches. Thirty such services have been conducted during the past year.

The faculty advisors for the past year were:

PRESIDENT UEL W. LAMKIN	MR. HUGH G. WALES
DR. O. MYKING MEHUS	MR. LAVERNE E. IRVINE
DR. HARRY G. DILDINE	MR. A. J. CAUFFIELD
DR. JAMES C. MILLER

## Kappa Omicron Phi

THE Kappa Omicron Phi sorority of Maryville State Teachers College is the nucleus of a National Home Economics sorority founded in 1922 by Miss Hettie M. Anthony. In fourteen years it has grown to include, besides this Alpha chapter, fourteen other chapters in ten states.

The purpose of the organization is to develop women with higher ideals, with a deeper appreciation of the American home, and with higher intellectual and cultural attainments.

# May Festival

**L**IKE the dance festivals previously held at this college, the 1936 production, "The Countess of Tokay" under the direction of Mrs. Nell Martindale Kuchs was a tremendous success. It was a resplendent production of fascinating gypsy music and dances, displaying elaborate costumes and scenery in which approximately six hundred students participated. The Misses Nell Blackwell and Lilian Blanchard, assistants to Mrs. Kuchs, contributed much to the success of the '36 production.

Mrs. Nell Martindale Kuchs is a graduate of the University of Kansas, attended Sargent's School and Harvard University. She has her M. A. degree from Columbia University of New York City, and has done graduate work at the University of Kansas. Her ability as a director is unparalleled. Her

NELL MARTINDALE KUCHS

successes were evidenced in "Janice's Garden," "Wizard of Toyland," "Magic Flute," "Bluebird of Happiness," "Alladin's Lamp," and "Peter Pan."

The story of "The Countess of Tokay" was a Hungarian love story which took place during the three-day grape harvest at the chateau, Tokay. The setting was very realistic, consisting of a castle, a gypsy camp and an inn where peasants and gypsies gathered together and sang harvest songs. The Countess arrived to take over her ancestral estate, but the will revealed she must be married to receive her inheritance. Infuriated with her Uncle for planning her marriage to his son, a young Lieutenant whom she had never seen, she immediately asked a handsome gypsy violinist to marry her. He readily consented and his people honored them with a wedding feast. Just as the Countess began to regret her rash deed, the Lieutenant appeared to watch the ceremony.

Many things happened before the Lieutenant learned the true identity of the Countess, but in the end they were married as was planned by the Uncle. The Gypsy violinist, to whom the Countess was temporarily betrothed, was appeased by jewels.

Frances Feurt as the Countess, Orval Johnson as the Lieutenant, Ralph Westfall as the gypsy, and Norma Ruth Logan as the gypsy maid, contributed much to the success of the production by their outstanding dramatic ability and dancing. However, the several hundred students who participated were equally outstanding for their grace and technique in executing their various group dances.

Through the dance festivals Mrs. Nell Marindale Kuchs has earned a splendid reputation for herself as a director. The cooperation of the Industrial Arts, Music and Speech Departments, has been of unlimited value in this work.

The dance festivals as held at this college have been valuable advertisements, and their absence in the future will be an unfortunate loss to the college.

The student body, by whom she was much admired and respected, extends a regretful farewell to Mrs. Kuchs.

Athletics

MR. E. A. DAVIS

## Athletics

COACH E. A. "LEFTY" DAVIS, chairman of the department of Physical Education and football coach here since 1927, is one of the best qualified coaches in the M. I. A. A. conference. Coach Davis is an undergraduate of Kentucky University and Phillips University, and was a member of football, baseball, and track teams in these schools.

Upon graduation from school, Coach Davis took up professional baseball for a living, but when he failed to become a regular with the St. Louis Browns, he turned to coaching.

Mr. Davis coached football at Missouri Wesleyan for six years. While there, he produced five champion teams and one runner-up in football. In 1923 and 1924 he was coach of football, baseball, and basket ball at McKendry College. The McKendry football, basket ball and baseball teams were undefeated in 1924. From McKendry, Coach Davis went to Centenary, and in 1925, he produced a conference winner in football there.

In 1927, Mr. Davis came to Maryville as the Bearcat tutor. His teams have captured one M. I. A. A. championship and have completed four seasons as runner-up.

Wilbur Stalcup, youthful Bearcat basket ball and track mentor, has completed his third year on the coaching staff of his Alma Mater.

In 1928, as a senior in Oregon High School, Mr. Stalcup was a member of the team that won the Missouri State High School basket ball championship. During the next four years, Stalcup lettered three times in football, and four times in basket ball and track. He was a member of the famous Bearcat team which fought its way to the finals of the National A. A. U. Tournament in 1932. He was chosen on several All-American basket ball teams that season.

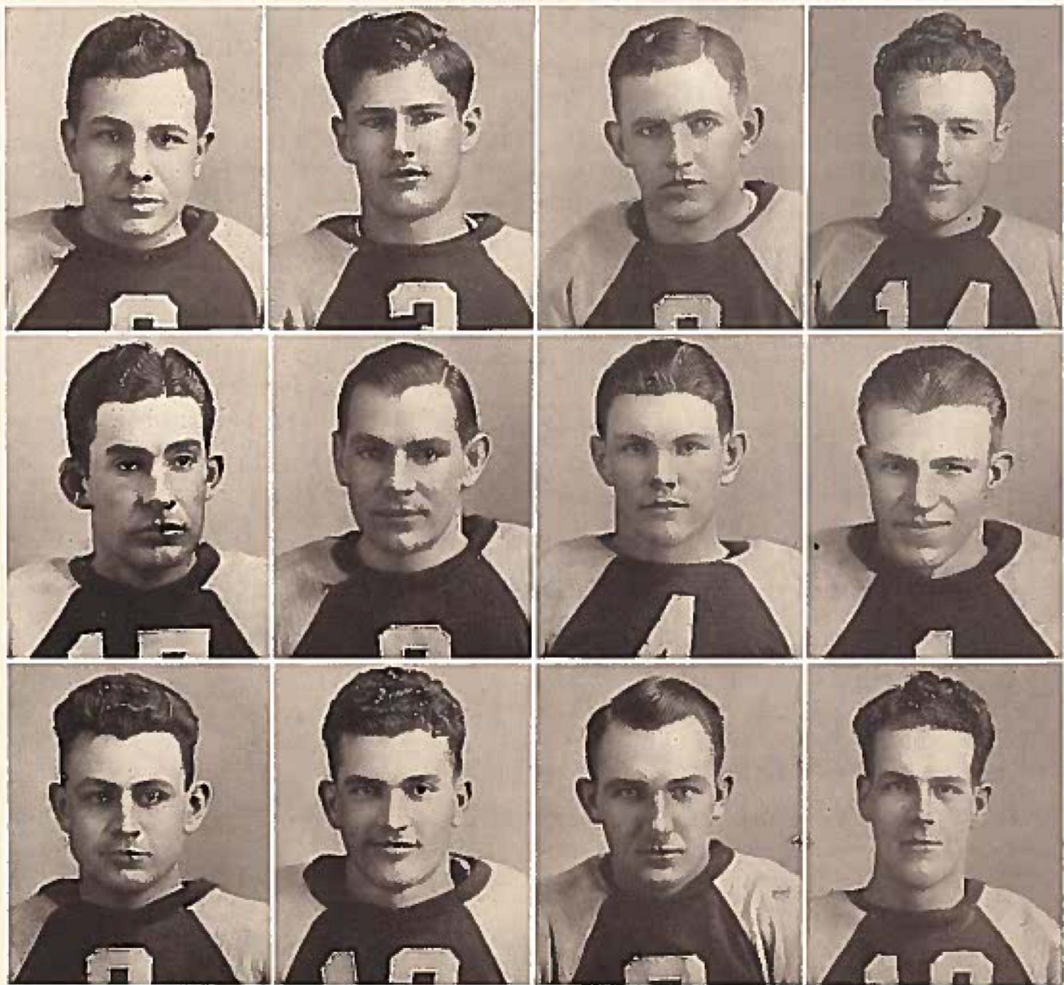

During his first years as a coach, Mr. Stalcup has a very impressive record. The Jackson High School basket ball team of which he was the coach was runnerup in the State High School tournament.

In the last three years Stalcup has kept Maryville basket ball up to the high standard it was when he played here, and has coached a M. I. A. A. track champion team.

The Maryville Bearcats reported to Camp a week before the beginning of school and began practice. Coach E. A. Davis and Coach Stalcup worked the men hard and by the end of the first week were able to pick a fairly representative squad.

The Bearcats squad consisted of 55 men mostly freshmen and non-lettermen. There were but eight lettermen to start the season and very little experienced material.

Peru Bobcats came to Maryville and left the victor by a 7-0 score, in the first game of the season for either team. Coach Davis was faced with the proposition of starting an almost green team in this game. However, the team gave a good accounting for themselves and outgained the opponents.

MOLITORIS

CLAYBAUGH  
*Kirksville Game*

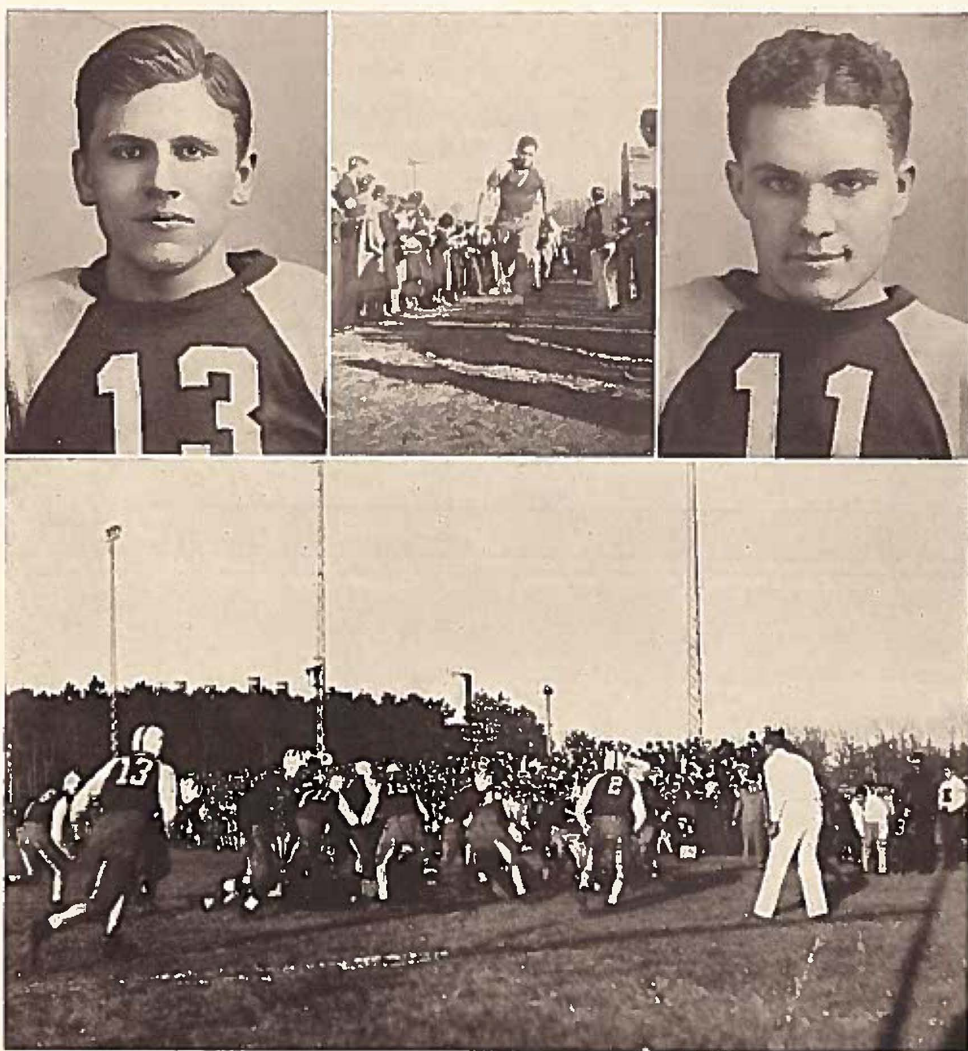

MOORE

Central college, a newcomer on the Bearcat schedule, was the next opponent of the Green and White. Playing a much better and also a much faster game than the week before, the Bearcats emerged the victor by crossing the goal line twice. The final score was 12-0. It was in this game that the passing combination, "From Rulon to Zuchowski" got its start.

Conference season opened for the Bearcats November 11 when Springfield came to play here. With the passing of Rulon and the punting of Yates and Berneau keeping them on the run, the Bearcats were able to win by means of a lone touchdown and a goal kick. Final score 7-0. Rulon passed to Zuchowski for the score.

After their conference start the Bearcats played another non-conference team. Rockhurst College of Kansas City came here for the fourth straight

CARTER

"LUKE"  
*Kirkville Game*

BREWER

home game for the Bearcats. With one of the best coached and a deceptive offensive teams that ever played here, Rockhurst beat the Bearcats 13-6. Again it was a pass that put the Bearcats into scoring position.

A long trip, the first of the season, the first in college for many of the squad, and a loss in their second conference game was next in the offing for the Bearcats. The trip to Cape Girardeau was long, the day hot, and the Indians had one of the best teams they ever produced. Final score, Cape Girardeau 20 and Maryville 7.

Another long trip, Rolla, and a very heavy rain and a conference victory. Earnest Sorenson, freshman fullback became eligible for this contest and played an excellent game. McGregor, the Rolla flash, was well taken care of and the final score was Maryville 7, Rolla 0.

"Kirkville wins again"—Yes, they won, 20-6, but they were forced to

## Squad

*Front row*—GOOD, MOLITORIS, BERNAU, MOORE, SORENSON, COURTER, FRANCIS, LIVINGSTON  
*Second row*—HUNTSMAN, CLABAUGH, ROUSE, CAPTAIN PALUMBO, FLANDERS, RULON, ZUCHOWSKI, HICKS  
*Third row*—COACH STALCUP, YATES, BREWER, IRVIN, JOHNSON, CARTER, CREECH, WOODRUFF, BOATWRIGHT  
*Fourth row*—KING, TRAINER; PORTER, BINDER, RHOADES, COX, REEVES, NICKLE  
*Fifth row*—BRAMAN, FLANARY, FORDYCE, K. ALLEN, TOAY, COACH DAVIS

show all their power. When Rulon passed to Good, who lateralled to Zuchowski for a touchdown the Bulldogs were but one point in the lead. But, more power, more reserve material soon wore the Bearcats down until two scores were pushed over in the last two minutes by the Conference Champs.

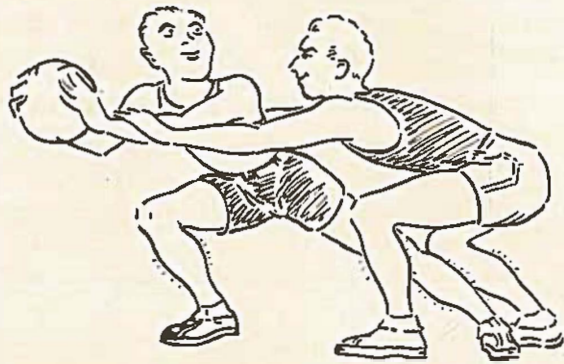

Traveling again this time to Warrensburg and a victory for the Mules. One of the very unusual games that one sometimes sees. Warrensburg 3, Maryville 2. The Mules kicked a goal, the Bearcats scored a safety, and no one crossed the goal line for a score. Mud, and rain kept the Bearcats passing attack from functioning.

With the last game of the season came the long waited for trip to Chicago. St. Viator's College at Bourbonnas, Illinois, battled the Bearcats to a 6-6 tie. The Bearcats then traveled to Chicago, stayed over night, saw the Northwestern vs. Iowa game on Saturday and returned to Maryville on Sunday.

As a fitting end to the football season, Captain Luke Palumbo was chosen Captain and Center of the All-Star Team.

# **BASKET BALL**

# Basket

JOHNSON

BROWN

STARTING the season before Christmas the Bearcats won their first two starts. Their first game was with the Bowmans of Kansas City and the second with Rockhurst College, also of Kansas City.

After the first two games the Bearcats failed to play the brand of ball that made them feared by all conference opponents.

There was a time that, lasting for four games, the Bearcats continually came out on the short end of the score. It was during this losing streak that the Bearcats started their conference play.

The losing streak ended when the Bearcats met and defeated the strong Warrensburg Mules. It then seemed as if the Bearcats were to

win the remainder of their games but small-pox vaccinations stopped them and they lost two games before all the sore arms could be cured.

With a few days rest the team back in shape and anxious to make up for their losses the week before, the Bearcats came back to win from the Rolla Miners by the biggest score of the year, 51-15.

The next three games were taken in their stride, with three successive victories.

Then came the National Champion Santa Fe Trails of Kansas. This team outlasted the Bearcats and won by a large score. The Trails presented one of the best passing teams ever to play on the floor here.

With but two games remaining Orval Johnson, star guard, became sick and was in the hospital for the remainder of the season.

The two remaining games were won and the season closed with most of the squad unable to report for practice because of sickness, thus eliminating any possibility of the Bearcats playing any post-season contests.

Orval Johnson and Roy Brown were picked on the all-state team with Brown as center and captain and Johnson as guard.

# TRACK AND TENNIS

# Track

NEIL

SOME sixty men reported for track this spring with the freshmen in prominence and lettermen at a bargain.

With the help of Miller Brown, a former Missouri athlete who gained national prominence while in school, as assistant, Coach Stalcup hurriedly shaped a team to enter the M. I. A. A. indoor meet.

Cape Girardeau, aided by its earlier track season, produced a team which won the meet by a large score. The Bearcats, led by Herschel Neil, highpoint man of the meet, were second.

# Tennis and Golf

CAMPBELL

BARRETT

WHITT, THOMPSON, WRIGHT, SHARP, WITAKER, SMITH

At the time the Tower went to print, the entire tennis squad for 1936 had not been chosen. With two veterans, Campbell and Barrett, back this year, Smith, Sharp, Whitt, Wright, Hamman, S. Steinmetz, Whitaker, and Thompson as prospects, and the squad under the direction of Mr. Saylor, Maryville should have one of the strongest teams in years.

Harl Holt, Gerald Rowan, Paul Person, and John Zuchowski represented Maryville in golf this year.

At the time the Tower went to print, all of the meets were not scheduled. The meets scheduled at the time, were with St. Joseph Junior College and the State Meet at Springfield.

## Cheer Leaders

**T**HE Hunt, Richmond, Thompson combination instilled "Victory" into the team and student body alike. Their enthusiasm combined with their yell leading ability were assets which especially equipped them for their positions. Although they started the year as three inexperienced yell leaders, they finished the 1935-36 season as veterans. Constantly, both off and on the field these men were working for a bigger and better S. T. C. spirit.

# Barkatze

THE Barkatze Pep Squad was organized during the fall quarter of 1932 for the purpose of giving more organized pep to the Bearcats and to the student body. The organization has grown rapidly and now has a membership of thirty men and thirty women.

Miss Nell Blackwell and Mr. Homer T. Phillips are sponsors of the organization and through their efficient leadership the pep squad has grown in popularity.

THE purpose of the Women's Athletic Association is to promote a school spirit of loyalty among the girls, and to encourage participation in healthful recreation.

The Department of Physical Education, through the W. A. A., offers the following sports during the year: hockey, basket ball, volley ball, baseball, swimming, and hiking. Each sport is under the management of a student director, and at the end of each season a tournament is held.

By participation in the activities of W. A. A., women may earn points toward an "M" sweater.

## “M” Club

THE “M” club is an organization of the men of the college who have been awarded letters in one of the three major sports, namely: Football, basketball and track. The club encourages higher scholastic standing among its members. It was organized to promote unity and school spirit, to take part in the social activities of the college as a group and promote athletic activities on the campus. The “M” club promoted the “Varsity Drag” during the fall quarter, and a high school track meet as a part of the Spring Contests.
